SUSSEX LAW SOCIETY SPONSORSHIP PACKAGES 2026 - 2027

The Sussex Law Society ('SLS'), founded in 1860, is a professional organisation representing solicitors practising in the central Sussex area. It provides valuable benefits to its members including local CPD training, regular social events, a monthly online newsletter and free advertising for job vacancies on the website and in the newsletter.

The SLS is independent of other Local Law Societies and of the solicitors' controlling bodies, the Law Society and the Solicitors' Regulation Authority (SRA). The Society's current membership consists of solicitors either residing or working with its geographical boundaries. Members include employed solicitors, sole practitioners, firms specialising in particular areas of law, firms carrying on general practice, substantial regional firms, & firms with international connections. As a result, the range and breadth of expertise of its members for both the private and business client is extensive.

The SLS's principal objects include:

- The protection of the character, status, rights and interests of its members and of the profession of solicitors generally.
- The promotion of honourable practice among solicitors.
- The consideration of questions affecting the profession at large, or the alteration or administration of the law, and
- The promotion of legal education.

The Society's geographical reach includes:
County of East Sussex (excluding the Boroughs of Eastbourne and Hastings, the District of Rother- excluding the Parishes of Burwash, Etchingham and Ticehurst - and that part of the Wealden District comprising the Parishes of East Dean, Folkington, Friston, Hooe, Jevington, Ninfield, Pevensey, Polegate, Westham, Willingdon and Wilmington) and the area of the unitary authority of Brighton and Hove.
